BOSS® marine

MARINE AUDIO PRODUCTS

2016

Welcome to BOSS MARINE 2016. Offering the largest selection of quality marine grade products

for the watercraft and outdoor vehicle industry.

All BOSS Marine products are loaded with features and capabilities to enhance and ease the users

experience while integrating high-tech, state-of-the-art waterproofing materials and special

UV-protection coatings for plastic surfaces, coated circuit boards and connections to provide

resistance to corrosion.

MR2180UA is a Single-DIN chassis with a 1-1/2-DIN front panel. Access to CD deck is accessed through the drop-down front panel.

MARINE IPX6 RATED*

Powersports Waketower Systems intro copy here. Marine and Powersports Waketower Systems

intro copy here.

Our Waketower Speaker Systems are built to deliver superior performance in the toughest conditions. Polypropylene cones and rubber surrounds are impervious to moisture. A blast of salt water will not hurt these speakers. A protective coating is applied to block UV rays, maintaining material integrity and keeping the speakers looking new.
